

Welcome

The Organising Committee of the Professional Association of Nurses in Developmental Disability Areas (Aust) Inc. is delighted to invite you to join us on Monday 8 August 2005 for our 16th Annual Conference and Annual General Meeting followed by drinks.

The title of this year's conference is Developmental Disability Nurses: Lost, or just harder to Find?

The Conference day will attempt to answer this question by considering nursing roles and examining the challenges for nurses working in developmental disability areas. Are you lost, or just harder to find? Come along to the 16th PANDDA Conference and participate in finding an answer.

The day offers a variety of innovative sessions and the chance to network with other nurses working in the specialty of developmental disabilities and may provide the opportunity to find some lost colleagues.

We hope you will join us.
