

Welcome

The Organising Committee of the Professional Association of Nurses in Developmental Disability Areas (Aust) Inc. is delighted to invite you to join us on Wednesday 1 August 2007 for our 18th Annual Conference, commencing with a breakfast AGM, then the conference followed by drinks.

The title of this year's conference is PASSION! Imagine the possibilities ... Awaken your dreams and Rediscover your passion for developmental disability nursing.

The conference day will consider passion and fun in our nursing roles and examining the challenges for nurses working in developmental disability areas. As well as launching a new PANDDA position paper titled 'Access & Equity: Health care for people with a developmental disability'.

Come along to the 18th PANDDA Conference and participate in rediscovering passion in your work life.

The day offers a variety of innovative sessions and the chance to network with other nurses working in the specialty of developmental disabilities and will provide the opportunity to network and meet new and past colleagues.

We hope you will join us.
