

December Webinar

Disability Nurse Navigator

Presenter: Rhonda Beggs

Date: Thursday 2nd December, 2021

Time: 7pm (AEDT)

Cost: PANDDA members FREE, Non-members \$40

About the presenter: Rhonda is a disability nurse navigator based in a tertiary hospital in South East Queensland. Rhonda trained in the UK in the 1990's as an intellectual disability nurse, and subsequently gained dual registration as a mental health nurse. Rhonda has worked extensively in community nursing settings and is a firm believer of accessible health care in the community for all.

About the presentation:

The presentation will focus on the delivery of Disability Nurse Navigation model at the point of contact with the client using a case study.

Learning objectives:

1. Understanding the Disability Nurse Navigator role.
2. Understand what the four pillars of Nurse Navigation model are and;
3. How they apply in the context of disability
